ABOUT

Software Developer with hands on experience in creating efficient, scalable, and user-focused applications. Passionate about problem-solving and continuous learning.

EXPERIENCE

Comwizard Systems

Intern Software Developer

Jul 2024 – present | Sion, Mumbai, India

- Worked on a banking software solution for Co-op Credit Societies, improving user experience and operational efficiency.
- Developed scalable and user-friendly applications using Flutter, enhancing customer engagement by 30%.
- Built and maintained front-end, back-end, and database systems to ensure smooth application functionality.
- Optimized performance, reducing waiting times by 20%, leading to improved user satisfaction.
- Successfully migrated the database from the old server to a new, more efficient system, ensuring minimal downtime and enhanced reliability.
